

## **Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and additional mitigation risks.

Hemophilia of South Carolina (HSC) and The Preserve at Verdae have put in place preventative measures to reduce the spread of COVID-19; however, we cannot guarantee that you will not become infected with COVID-19. IN CONSIDERATION for being permitted to utilize the services and facilities, Venue, you acknowledge the contagious nature of COVID-19 and voluntarily assume the risk of exposed to or infected by COVID-19 by attending the Event at the Venue and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Venue may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Venue employees, third-party vendors, and Event attendees.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with our attendance at the Venue or participation in Venue Event ("Claims"). On my behalf, and on behalf of my attendees, you hereby release, covenant not to sue, discharge, and hold harmless the Venue, HSC employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Venue, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in my Event.

Masks will be provided to all attendees and worn when 6' between attendees cannot be accomplished, hand sanitizers, and social distancing will be in place during the Event. We thank you for your understanding and compliance.
