

Come learn, share, and interact

Discover more about bleeding disorders through these programs designed just for you

Hello Talk - Emotional Wellbeing Presentation

Come learn, share, and interact with people who “get it” because they are living it too. These presentations are custom-designed to help you understand the science behind bleeding disorders or overcome challenges you might face. Presented by a Takeda speaker who will provide the group with practical advice and helpful tips.

SPEAKER

Betsy Koval, BSN, RN

Tuesday, October 12, 2021
6:30 PM ET

LOCATION

City Range
615 Haywood Road
Greenville, SC 29607

*This program is for U.S. patients and caregivers only and is not intended for healthcare professionals. All patient attendees must be of an appropriate age for the disease state and/or products being discussed. Patient attendees may bring up to two caregivers/family members. Attendees under the age of 18 must register with and be accompanied by an adult. Attendee expenses are not reimbursable. This program is for educational purposes only and is not a substitute for the advice provided by your healthcare provider. Consult your healthcare professional for your medical concerns.
